

## THE GENERAL PROCESS and PRICING for FURNITURE LAYOUTS

The process is simple to see your vision come to life!

1. **Make CONTACT** via the website's REQUEST ESTIMATE button or the CONTACT page
2. **Describe your furniture layout project:**
  - a. Are you buying a new home and want to see how your furniture will fit? Are you in your home but looking to add a new piece of furniture and want to make sure it will work before you buy it?
  - b. Do you have a measured sketch or floor plan and photos of the space?  
*In this context, a space is a room or part of a room.*
  - c. Do you have measurements and photos of your current furniture?
  - d. Do you have the new furniture picked out and a photo or website?
3. **Choose your level of service**

Level	Your Project Comfort	My Service	Example Fee
A	<ul style="list-style-type: none"> <li>• You know what you want.</li> <li>• You have your space and existing furniture measured and sketched.</li> <li>• You want to see the furniture together and try a few different layouts.</li> </ul>	<ul style="list-style-type: none"> <li>• Two views of your chosen space delivered via email in a JPG file.</li> </ul>	\$500.00 min.
B	<ul style="list-style-type: none"> <li>• You have ideas, but could use help measuring and sketching the space and current furniture.</li> <li>• You don't have the new furniture picked and would like some ideas.</li> </ul>	<ul style="list-style-type: none"> <li>• I will make a site visit and sketch the space for you. We will have time to discuss the project while I am there.</li> <li>• I'll have enough information to make an estimate and send you a proposal.</li> <li>• You decide on number of views, JPG file or 3D concept model.</li> </ul>	\$750.00 min.

## THE GENERAL PROCESS and PRICING for FURNITURE LAYOUTS

The process is simple to see your vision come to life!

C	<ul style="list-style-type: none"> <li>You're overwhelmed and don't know where to start.</li> <li>You know an investment upfront will save time and money.</li> <li>You know it's possible with help to create the vision of a new space!</li> </ul>	<ul style="list-style-type: none"> <li>I will make a site visit and our goal while I am there will be to create the design plan for your space. I'll measure and sketch the space. I'll gather enough information to make an estimate and send you a proposal.</li> <li>I'll give you a personal presentation of the 3D concept model. We will walk through it together and you will be able to see all the possible views of your space.</li> </ul>	\$1,000.00 min.

NOTES: color prints and additional views available for a fee

- I send you a fixed price proposal after reviewing all the information which may require a few emails and a phone call. A timeline is included.
- With your approval, you send a signed proposal back with a 50% deposit.
- Work begins immediately, upon receipt of signed proposal and deposit.
- When the model is done, I will send you a JPG file for your review.
- You make comments or suggestions you would like to see.
- I make the changes you request and re-send the JPG for your approval.
- On your approval, I will send you the final invoice and your final JPG files or software model file.
- Or, if we are meeting so that I can personally show you the model, we will make those arrangements.
